

A Message From
The **Enterprise**® Business Rental Program.

Top 16 Shootout Participants,

We appreciate that you have chosen Enterprise Rent-A-Car to meet your rental needs in Maryland and nationwide. We look forward to providing the Top 16 Shootout participants with outstanding service and great value. Enterprise Rent-A-Car will pick you up from Penn Station, downtown Baltimore, and is On Site at BWI airport.

To receive your set rates in the Baltimore area, and a discount across the country, you can do one of three things: book on the Internet at www.enterprise.com, call 1-800-Rent-A-Car, or contact the branch directly. Make sure to provide your Top 16 Shootout Corporate Class ID number (**L180471**) to receive your competitive discounted rates. Don't forget, your membership also provides discounted rates when renting out of town. Out of town reservations can be booked the same as local reservations. Again, simply provide your company's ID number and choose "out of town reservations" and your special rate will be reserved. When booking out of town you will receive 5% off at Airport Locations and at Local Home City branches. When booking online just input your ID # and then it will ask for you PIN. Your PIN# will be the first 3 letters of your organizations name (**TOP**).

Thank you again for choosing Enterprise Rent-A-Car.

Sincerely,

Eric Yingling
Business Rental Sales Executive
